HealthSteer Employee Benefits

- ◆ No waiting rooms
- ◆ Instant access to Doctors
- ◆ Efficient fast track assessment
- ◆ No travelling

This is the cost of sick days

Hourly rate = £10

Daily hours = 7.5 hours

No. days off = 5 days

No. of employees = 100

This year you're losing
£37,500

Why not try the calculator for yourself? www.healthsteer.co.uk/business

Reducing the above amount of sick days by 1 day can noticeably lower a company's expenditure, with a potential saving of £7,500 per annum. Our platform removes the typical 2 week wait to see a GP.

Most companies apply our online GP solution as an **Employee Benefit**, recognising it as a **tax deductible expense** against business profits.

Employers:

- Our service can link into your existing Private Medical Insurance and/or Employee Assistance Programme
- Raise morale by creating greater employee engagement
- Improve staff retention rates in a competitive labour market
- Demonstrate a duty of care for workforce's health and well-being

Employees:

- See an online Doctor anywhere, anytime, on your Smartphone, Tablet or Laptop
- Significantly reduce GP appointment waiting times
- Follow up on pre-existing conditions
- Instant referral to access Private Medical Insurance

Employees' health is your **company's wealth**

Did you know that **ISO 45001** states that you need a health and wellbeing programme in your business to be compliant?

OUR VISION

Connecting employees with convenient healthcare via an easy to use, face-to-face online GP consultation on our platform. Providing e-Prescriptions, Referral Letters, Sick Notes and treatments at a fraction of the cost of private healthcare. Our Doctors also help with pre-existing conditions, setting us apart from most private insurers.

- ◆ No waiting for a GP appointment
- ◆ Home or abroad see a Doctor online
- ◆ Secure and encrypted platform
- ◆ Innovative healthcare via Smartphone, Tablet or Laptop
- ◆ Regulated by Care Quality Commission (CQC)
- ◆ Founded by 4 Consultant Doctors with over 30 years' experience
- ◆ Insured Doctors waiting to give you peace of mind

Supporting Us

“ The biggest challenge for healthcare at this moment of time is access and fitting it around a busy schedule which HealthSteer have addressed. ”

Professor Sudhesh Kumar OBE
Dean of Warwick Medical School

“ HealthSteer is an online portal that allows users to connect with Doctors in a wide variety of specialisms. This has the potential to make these experts much more accessible, both by increasing the number of patients they can see via efficient video consultations and reducing the barriers that distance and time can pose for busy or less-mobile people. ”

Right Honourable Julian Knight
Member of Parliament for Solihull

“ Using the bricks and mortar base of community Pharmacies and the digital model of HealthSteer; working in partnership can enable us both to deliver a high standard of the healthcare. ”
